NORTH ISLAND FORKLIFTS LIMITED ("NIF") – PURCHASE ORDER TERMS AND CONDITIONS

These Terms and Conditions apply to all Purchase Orders issued by NIF on or after 1 February 2020 until further notice. NIF reserves the right to change these Terms and Conditions at any time, with such changes becoming effective from the date of uploading onto NIF's website or upon notification in writing to the relevant Supplier.

1. FORMATION OF CONTRACT

1.1 Subject to clause 1.3, a contract for the supply of Goods and/or Services ("Contract") will arise on your acceptance of any valid Purchase Order issued by NIF (whether by your written acknowledgement or by Delivery) and will include the terms of the relevant Purchase Order and these Terms and Conditions. In the event of any inconsistency between the terms of the relevant Purchase Order and these Terms and Conditions, the terms of the relevant Purchase Order will prevail.

1.2 Subject to clause 1.3, the terms of the relevant Purchase Order together with these Terms and Conditions comprise the entire Contract between us in relation to the supply of the Goods and/or Services supplied and supersede any previous discussions, arrangements and representations. Any terms and/or conditions asserted or provided by you in connection with the supply of such Goods and/or Services (for example, your terms of trade) will not apply to nor bind NIF.

1.3 In the event that we have both signed a written agreement for the supply of specific Goods and/or Services, then the specific terms of that agreement will apply and not these Terms and Conditions.

1.4 If the Purchase Order is not accepted by your written acknowledgement or Delivery within the period specified in the Purchase Order or if not specified, within a reasonable period given the nature of the Goods and/or Services supplied, NIF may cancel the relevant Purchase Order by written notice to you.

1.5 NIF will use reasonable endeavours to ensure that any estimates of volumes or specifications given to you will be accurate but you should not rely on this. You must satisfy yourself as to the accuracy of any forecasts or specifications prior to pricing and accepting the Purchase Order. NIF will rely on your expertise to advise or alert us about any matters associated with what looks like an incorrect or incomplete volume or specification prior to supply.

2. TERMS OF PAYMENT

2.1 You must supply the Goods and/or Services at the prices set out in the relevant Purchase Order.

2.2 You agree that the unit prices set out in the Purchase Order, will be the full and only cost payable by NIF.

- (a) send a detailed advice note (or packing slip) describing the Goods or Services to each Delivery point; and
- (b) ensure that all packing slips, advice notes and correspondence concerning the Contract include the Purchase Order Number and any other information that NIF may reasonably request.

2.4 You must submit a valid GST tax invoice to NIF for payment for the Goods and/or Services following their Delivery.

2.5 Your invoice must:

- (a) be sent by email to info@nif.co.nz, and cc'd to the NIF representative responsible for issuing the Purchase Order. If the relevant invoice is not sent to the right email addresses, such Goods and/or Services will not be considered to have been Delivered for the purposes of clause 2.3 until it has been received by the correct people responsible for processing it;
- (b) include your GST number and any other information required to comply with any relevant standards provided by the Inland Revenue Department (if applicable) for a valid tax / GST invoice;
- (c) quote the purchase order number;
- (d) include the right quantity, price and description of the Goods and/or Services supplied and the relevant dates of Delivery;
- (e) show the total payable by NIF, with an appropriate breakdown in sufficient detail to show how this amount has been derived; and
- (f) be received within 60 Working Days from the date that the Goods and/or Services were Delivered.

2.6 You accept that your invoice may be returned to you or payment may be delayed if NIF's invoicing and payment process requirements are not correctly followed.

2.7 Subject to compliance with the Contract and there not being errors or discrepancies, your invoice will be paid by NIF on or about the 20th day of the month following the date of the invoice, provided the invoice has been received by NIF no later than the 5th day of the month.

Example: For Goods and/or Services Delivered in January:

- An invoice dated 31st January and delivered after 5 February will be paid on 20 March.

2.8 If any part of an invoice or the Delivery of Goods and/or Services is disputed by NIF, NIF may withhold payment of the relevant invoice or part thereof until such time as the dispute is resolved.

2.9 In making payment for Goods and/or Services which have been Delivered, NIF may withhold, deduct or set off any amount that was previously overpaid or any amount recoverable by NIF from you under the Contract or otherwise.

4.2 NIF is deemed to accept Goods and/or Services supplied to it when it begins using them or after notifying you of its acceptance or if it has taken Delivery without indicating any conditions to such acceptance. Acceptance by NIF does not mean it acknowledges that the Goods and/or Services meet the warranty requirements of clause 5, even if such acceptance follows acceptance testing. If NIF wishes to test or inspect any Goods and/or Services before accepting Delivery, you must provide any assistance with that testing or inspection which is reasonably requested by the NIF.

4.3 NIF has no obligation to accept any Goods and/or Services which it believes, on reasonable grounds, do not meet the requirements of the Contract including, without limitation, the warranties set out in clause 5.
